AKDHC's San Carlos practice is part of the East Valley Sector, made up of 6 nephrologists. This community is supported by one major hospital San Carlos Apache Healthcare and dialysis unit serving members of the San Carlos Apache Tribe. Occasional travel to surrounding areas for CKD Clinic. Opportunity for relocation to metropolitan area as practice needs change, timeframe is 3-5 years.

Practice Description:

Arizona Kidney Disease & Hypertension Centers (AKDHC) is the nation's leading and largest private practice established in 1978, as of January 2019, we have a total of 103 adult and 8 pediatric Nephrologists covering the state of Arizona. The practice is set up in Sectors which basically operate independently in small group settings. This gives the "feel" of a small collegial practice group, while having all the benefits and economies of scale of a large group business practice. Communication and transparency is paramount and all information is shared with all physicians regardless of partnership status. Decisions are made by a simple majority rule. AKDHC is operated as a "Common Pot" structure where all revenues are shared including Physician Services, MDA's Research, Intervention/Surgical Vascular Access Programs, Real Estate Investments, etc. AKDHC offers an escalating annual salary scale, five-year partnership track, generous vacation time, and compressive benefit package.
