Job Description:

AKDHC's Payson practice is part of the East Valley Sector, made up of 6 nephrologists. This growing community, with a population of over 15,500 people is supported by one major hospital Banner Payson Medical Center, a 25-bed critical access facility. There are 2 area dialysis facilities, HD/PD, supporting 24 AKDHC ESRD patients. The CKD practice is robust with 207 patients seen routinely. Opportunity for relocation to metropolitan area as practice needs change, timeframe is 3-5 years.

Practice Description:

Arizona Kidney Disease & Hypertension Centers (AKDHC) is the nation's leading and largest private practice established in 1978, as of January 2022, we have a total of 104 adult Nephrologists covering the state of Arizona. The practice is set up in Sectors which basically operate independently in small group settings. This gives the "feel" of a small collegial practice group, while having all the benefits and economies of scale of a large group business practice. Communication and transparency is paramount and all information is shared with all physicians regardless of partnership status. Decisions are made by a simple majority rule. AKDHC is operated as a "Common Pot" structure where all revenues are shared including Physician Services, MDA's Research, Intervention/Surgical Vascular Access Programs, Real Estate Investments, etc. AKDHC offers an escalating annual salary scale, five-year partnership track, generous vacation time, and compressive benefit package.
