**Practice Description:**

Arizona Kidney Disease & Hypertension Centers (AKDHC) is the nation's leading and largest private practice established in 1978, as of January 2023, we have a total of 108 nephrologists. The practice is set up in Sectors which basically operate independently in small group settings. This gives the "feel" of a small collegial practice group, while having all the benefits and economies of scale of a large group business practice. Communication and transparency is paramount and all information is shared with all physicians regardless of partnership status. Decisions are made by a simple majority rule. AKDHC is operated as a "Common Pot" structure where all revenues are shared including Physician Services, MDA's Research, Intervention/Surgical Vascular Access Programs, Real Estate Investments, etc. AKDHC offers an escalating annual salary scale, five-year partnership track, generous vacation time, and comprehensive benefit package.

**Community Description:**

The Northern Arizona Sector is just 1.5-2 hours from Phoenix. The weather is temperate year-round allowing its residents to partake in all the area has to offer. Affordable and friendly, these communities are great for families.
