Practice Description:

Arizona Kidney Disease & Hypertension Centers (AKDHC) is the nation's leading and largest private practice established in 1978, as of January 2026, we have a total of 108 adult Nephrologists covering the state of Arizona. The practice is set up in Sectors which basically operate independently in small group settings. This gives the "feel" of a small collegial practice group, while having all the benefits and economies of scale of a large group business practice. Communication and transparency is paramount and all information is shared with all physicians regardless of partnership status. Decisions are made by a simple majority rule. AKDHC is operated as a "Common Pot" structure where all revenues are shared including Physician Services, MDA's Research, Intervention/Surgical Vascular Access Programs, Real Estate Investments, etc. AKDHC offers an escalating annual salary scale, five-year partnership track, generous vacation time, and compressive benefit package.

Community Description

Lake Havasu City is located on the Colorado River, 4.5 hours from Los Angeles, 2.5 hours from Las Vegas, and 3.5 hours from Phoenix. With more than 300 days of sunshine, 400 miles of coastline, and 3 surrounding mountain ranges, Lake Havasu City offers a full range of recreation and relaxation activities.
